OBJECTIVE

To continue expanding my experience and skills in all visual and technical realms related to graphic design and web development, gaining industry knowledge and beautifying the world one graphic at a time.

EXPERIENCE

FREELANCE WEB & GRAPHIC DESIGNER

Nomad Design House: Costa Rica // 3/2014 - Present

Web and graphic design, branding, marketing advertising and social media for the NOMAD agency brand, responding to potential client inquiries, meeting with clients to determine project scope, quotes and invoices, and creative work for client projects (including branding, print material, and web design and development using WordPress CMS).

CONTRACT VISUAL DESIGNER

Gratafy: Seattle // 10/2015 - 12/2015

Graphic and web design supporting lead designer. Design and coding HTML emails, static web pages, presentation decks, PowerPoints and other visuals.

MANAGER OF DESIGN & MARKETING

Intelitek Corp: Panama City, Panama // 8/2013 - 11/2013

In-house web design and maintenance, graphic design for print material, web graphics and social media. Reported directly to CEO. Spanish-speaking office.

JUNIOR GRAPHIC & WEB DESIGNER

QuoteWizard: Seattle, WA // 2/2012 - 3/2013

Web graphics (banners and ads), HTML email design, coding & testing, web pages and landing pages with forms for data collection, printed collateral such as manuals, presentations, signs, brochures, and slideshow presentations.

PHOTO EDITOR/RETOUCHER

1stDibs: New York, NY // 4/2011 - 9/2011

Retouching product photos for website by weekly deadline; putting images on white backgrounds, color correction, resizing, image manipulation - managing multiple files and uploading to the server.

GRAPHIC DESIGNER & PHOTO EDITOR

ModaListas: New York, NY // 10/2008 - 2/2012

Graphic design for print and web including advertisements, banners, invitations, business cards, e-blasts. Photo editing and retouching for product shots and creation of editorial photos/advertisements. Product entry with Magento site and site maintenance. Social media management.
